Each unit has a coffee maker and coffee is provided, as well as foil, "Saran Wrap," sandwich bags, creamer, salt & pepper. Each unit has a patio, gas grille, wader hooks, fly-tying lamps, rod racks and/or plenty of room for same.

We are situated on 4.22 acres in the high desert with breathtaking 360° views of the surrounding mesas. The land is naturally landscaped around the lodge with native evergreens and the spacious patio areas are lushly landscaped with fruit trees, grapevines and native plants affording peaceful outdoor cooking/seating/dining areas.

We rent "condo style," insuring your privacy. There is always ample parking available. Unit names are by the doors. A key will be in the door for your arrival.

Please call as EARLY in advance, as possible — many fly fishermen book a year+ in advance, but we will always try to accommodate spontaneous plans.

Minimum week-end booking is two consecutive nights.

We are located on NM Hwy 173 between mile marker 15 and 16. From Aztec, take NM Hwy. 173, east to Navajo Dam. From Bloomfield, take 64 east to

Blanco and turn north (left) on CR4599.

CR4599 ends at NM Hwy 173 and you will see the sign to turn right to Navajo

Dam. We are located about a mile east of the intersection. From Dulce, turn right on 539, at sign for Navajo Lake State Park. From Pagosa and Dulce, you must come down the road on the "face" of the earthen dam (Hwy 511) and follow the San Juan River downstream approximately 3 miles to NM Hwy 173, turn right and drive about 2 miles east of the Community of Navajo Dam. You will see the sign, "Enchanted HideAway Lodge," on the south side.

All of the fishable stretch (13.5 miles) of the San Juan River is available to the public with wade fishing from the Quality Water downstream through the community of Navajo Dam and drift boat fishing below, through the private land. Mailing address: 1593 NM Hwy 173, Navajo Dam, NM 87419.

Thanks for your interest and hope to see you soon!
